**How Co OB/GYN Sponsors Better BedRest Fundraiser &
Public Invited To Attend**

Columbia, MD – The Office of Kimberly Moran Turner, MD and Associates is a sponsor of the third annual Read-and-Rest book-signing fundraiser for Howard County-based Better BedRest, a non-profit organization that provides support, resources, and referral services to women placed on bed rest due to the complications of pregnancy.

The event, scheduled for May 5, 11-3, is at the Columbia Hilton (5486 Twin Knolls Road).

Proceeds from the sales of signed books by Sandra Magsamen, author of *Babies are Born with Hearts of Gold*, will help Better BedRest fund a new emergency grant program for women placed on bed rest due to high-risk pregnancies and to help expand the program statewide.

Better BedRest was founded in 1993 in Howard County.

More than 700,000 women in the US are placed on bed-rest each year, which has significant financial and emotional impact on their families.

The OB/GYN practice of Kimberly Turner, MD & Associates, which opened in 2005, is the only solo, female-owned OB/GYN practice in the county. For more information, contact Dr. Turner at 410-715-1060 or www.DrKimberlyTurner.com.
